the Blue Heron 2 Bonus

The Blue Heron 2 Bonus by Todd Campbell Custom Homes is designed for those seeking a dramatic open concept design. The great room offers ample entertaining space with an open kitchen, dining room and family room that will allow guests to mingle. This open concept plan features large windows for natural light, custom cabinetry and stainless steel appliances. The master bath offers a spa like retreat with soaker tub and custom tile walk-in shower. The double vanity offers space for him and her. The walk-in closet is large and spacious. Custom moldings, hardwood floors and custom tile designs are what you have come to expect from Todd Campbell Custom Homes. There are two secondary bedrooms with closets that offer plenty of storage and room for family and guests.

The bonus room with this version of the Blue Heron 2 allows more room to spread out and another multi-functional space for activities and gatherings.

This well designed functional plan is yours for the taking....and do not be afraid to ask about customizing this plan to your specific needs. That is what we are all about at Todd Campbell Custom Homes. We are here to make the home yours.
